

Evolution XPC OFC professional 1 pair 110 Ohm LSOH

Product overview

Part number	301-110
Product description	Evolution XPC OFC professional 1 pair 110 Ohm LSOH

Cable construction

Conductor	1 pair Construction 7 x 0.2 mm 24AWG
Insulation	Material XLPE Red and Black
Shield	Layer 1 Aluminium/ Polyester Tape Construction Z Fold Braiding Coverage 100% Drain Wire TC 7 0.2 mm
Jacket	Material LSOH Colour Black Thickness 0.8 mm Diameter 4.0 mm
CPR Euroclass	ECA
Marking	Evolution XPC OFC Professional 110 Ohm Digital 1 Pair

Specifications subject to change without notice. Please contact Direct Cable Systems to verify information.

Reel lengths 100m / 500m Drum

Electrical characteristics at 20°C

Conductor Resistance 88.6 Ω /m @ 20°C

Operating Temperature -20°C to 70°C

Capacitance 46pF/m nominal

Impedance 110 Ω
